

# H170 17" Advanced LCD Monitor - Multimedia

The H170 is one of the first LCD Monitors commercially available with a true 8ms response time that comes at an affordable price. Utilising the new Edge10 all-in-one mainboard to reduce the chassis size and depth. This LCD Monitor has enhanced performance, an aggressive price, beautiful appearance and an extensive feature list as standard. With an internal power supply, VESA Wall Mount Compliance, Reinforced Kensington Lock, Dual Input (DVI & VGA) and 2w Stereo Speakers! This monitor ticks all the boxes for the discerning user, and of course is backed by Edge 10's leading three year on site exchange warranty.
