

# T243h 24" Absolute Security for Ultimate Productivity

The Edge10 T243h comes with a massive 24" high resolution LCD Display, maximising the available space on the screen and minimising the need for constant and repetitive scrolling. The screen is protected with Toughened Optical Glass ensuring that the screen can withstand scratches, knocks and even being drawn on by a fountain pen! The T243h performs as good as it looks with a robust Height Adjustable "4way" stand, which also pivots allowing portrait viewing too. Stereo Multimedia speakers, dual input (VGA and DVI) mean that this screen wants for nothing! Backed by our industry leading three year on-site exchange warranty.

Height Adjustable Stand

Monitor Cosmetics:	Black bezel with black stand and black rear cabinet
