

The best way to
duplicate digital media
effectively and efficiently

Edge10's range of duplication towers make copying any form of digital media affordable, fast, effective and reliable. Available in One to One, One to Four, One to Seven and One to Eleven.

The **EdgeDupe** is a standalone device which enables users to have multiple copies of their CD, Blu-Ray DVD, USB stick or SD Card in a matter of minutes with no PC required. The **EdgeDupe** is a professional grade duplicating unit, which combined with high quality Pioneer drives, makes it the smart solution for anyone wanting fast copies of digital media. Vertical markets include: musicians, television and radio stations, software companies, schools and universities, medics and photographers.
